

*Imagine life on the beach,
powder white sand as far as the eye can see,
crystal clear blue waters
and all the time in the world to enjoy it all.*

*A place where the rising sun
gently nudges you awake,
as the ocean calls out to you.*

*A place where playing with the dolphins, isn't
a dream.*

*You may call it heaven,
we call it **Hakuraa Huraa**.*

*It means "Reef above water"
and life here is like none anywhere else.*

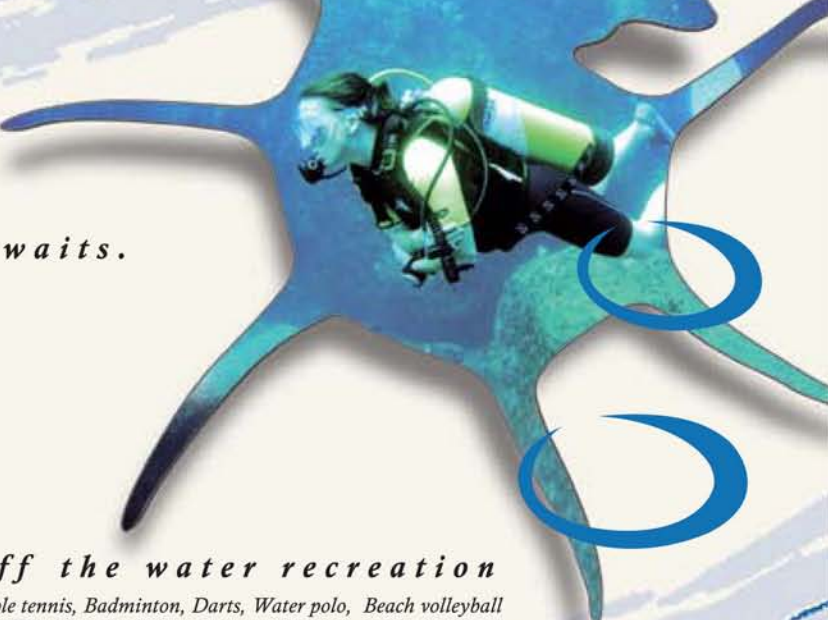

*We at Hakuraa Huraa live a life of tranquil-
ity and bliss
and we don't mind sharing.*
